the full statutory term defined in 35 U.S.C. 154 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on the following pending applications:

Application Serial No. 10/208,494, filed on July 30, 2002

Application Serial No. 09/915,100, filed on July 25, 2001

The owner, also hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173, as presently shortened by any terminal disclaimer, of the following prior patents:

U. S. Patent No. 6,474,045, issued November 5, 2002

U.S. Patent No. 6,526,727, issued March 4, 2003

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the above-identified pending applications are commonly owned. The owner further hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any the above-identified prior patents are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of the above-identified prior patents or any patent granted on the above-identified pending applications, as presently shortened by any terminal disclaimer, in the event that any of the above-identified prior patents or any patent
